OFFICE OF THE SUPERINTENDENT OF INDUSTRIES, BANGALORE DIVISION.

Notice Dated 18th August 1932.

A plant specially suitable for converting sugar-cane juice into jaggery with the aid of steam, and manufactured by Messrs. Blair Cambell and Mc. Lean Ltd., of Glasgow, will be sold by Public Auction on the 15th September 1932, commencing from 9-30 A.M. at Oorgahally, a village four miles from Bidadi Railway Station, subject to the conditions mentioned below :—

CONDITIONS OF SALE.

1. The sale will be held by the undersignid and will be subject to the confirmation of the Director of Industries and Commerce.
2. The officer conducting the sale will put up for auction the properties enumerated at the back of this notice, either one by one, or in lots, as may seem suitable to him.
3. The auction of each lot will be concluded as soon as the highest bid for that lot is ascertained but the properties contained in the lot will only be delivered after the sale is confirmed by the Director.
4. As soon as the higest bid of each lot is ascertained, the officer conducting the sale will recover one-fourth of the value of the bid from the bidder, and submit the papers to the Director.
5. The balance of the value of the bid should be paid by the bidder within 15 days after receipt of notice of the confirmation of the sale. If the balance of the value of the bid as aforesaid is not paid within the specified time, the initial deposit will be forfeited and the properties included in the lot put up for resale, and the original bidder will have no right or claim either for the proceeds of the resale or the properties included in the lot.
6. The purchaser should take possession of the property soon after full payment of the purchase money is made, and remove the property within 15 days from such date. The Department will take no responsibility for loss to the property after the purchaser takes possession of it.
7. The property should be removed with due care without causing any damage to the surrounding buildings or other property.
